### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### Principal's Message

Longfellow Elementary School is committed to educational excellence. We believe that all students can learn and become productive citizens of the world. Our primary goal is to increase student academic achievement on the California State Standards.

We continue to train, supervise, and provide guidance to our teachers. We hold weekly staff meetings to communicate about current issues and to coordinate events. We continue to upgrade our computers and equipment to meet the needs of everyone in our school community. Our staff takes pride in teaching and works hard to provide strong school leadership.

We strive to strengthen our academic plan for English Learners through ongoing identification, proper placement, monitoring, multiple assessment, staff development, and parent involvement. Academic enrichment activities are also provided through field trips. We encourage parent involvement to assist with student performance.

### Community & School Profile (School Year 2015-16)

Compton Unified School District serves grades pre-kindergarten through twelve in the Compton area as well as the neighboring communities of Carson, Enterprise, South Los Angeles and Willowbrook. The district is comprised of twenty-two elementary schools, nine middle schools and four comprehensive high schools, as well as one continuation high school, one pregnant minors program, one independent study program, two community day schools, an adult school and a Regional Occupation Program (ROP).

Located in central Compton, Longfellow Elementary School provides students in grades kindergarten through five with a curriculum that emphasizes language arts, English Language Development, and math skills, while meeting California Content Standards. Teachers and staff work together to make the curriculum culturally relevant to students. Each grade level is assigned a month in which to promote awareness for a different culture.

## School Enrollment & Attendance (School Year 2014-15)

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences. The chart illustrates the trend in enrollment for the last three years.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. An automated system contacts the home of an absent student. The attendance clerk and the school's counselor makes phone calls to the homes of students to verify excessive absences and encourage parents to see that their children are in attendance each day.

Students are referred to the district's School Attendance Review Board (SARB) when they have persistent attendance and/or behavioral problems in school, and when the normal avenues of classroom, school and district counseling are not effective.

The charts display school enrollment broken down by grade and student group.

Enrollment Trend by Grade Level			
	2012-13	2013-14	2014-15

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching
- Pupils have access to standards-aligned instructional materials
- School facilities are maintained in good repair

### Highly Qualified Teachers (School Year 2014-15)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified." Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

*Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.*

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By Highly Qualified Teachers	% of Core Academic Courses Taught By Non-Highly Qualified Teachers
School	100.0%	0.0%
All Schools in District	95.98%	4.02%
High-Poverty Schools in District	96.49%	3.51%
Low-Poverty Schools in District	0.0%	100.0%

### Teacher Assignment

The district recruits and employs the most qualified credentialed teachers who meet all credential requirements in accordance with State of California guidelines. This chart displays information about teacher credentials at the school.

	Teacher Credential Status			
	School			District
	13-14	14-15	15-16	15-16
Fully Credentialed	28	28	20	955
Without Full Credentials	0	0	0	9
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies			
	13-14	14-15	15-16
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
<b>Total Misassignments of Teachers</b>	<b>0</b>	<b>0</b>	<b>0</b>
Vacant Teacher Positions	0	0	0

## Instructional Materials (School Year 2015-16)

The Los Angeles County Office of Education inspected all school sites in the district at the start of the 2015-16 school year, pursuant to the settlement of *Williams vs. the State of California*. This thorough investigation was conducted to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution on the sufficiency of textbooks is October 9, 2015.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Education. The chart displays data collected in October 2015 in regard to the textbooks in use at the school during the current school year (2015-16).

## School Facilities (School Year 2015-16)

Longfellow Elementary School was originally constructed in 1957 and completely modernized in 1993. The campus is comprised of 41 classrooms, a multi-purpose room, a library, a technology center, one staff lounge, and two playgrounds. The chart displays the results of the most recent facilities inspection at the school. Facilities information was collected in December 2015.

School Facility Conditions				
Date of Last Inspection: 10/27/2015				
Overall Summary of School Facility Conditions: Good				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned

### Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district's Board of Education has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

### Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Compton Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its predecessor the Standardized Testing and Reporting Program)
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## California Assessment of Student Performance and Progress

California EC Section 60640 authorized the replacement of the Standardized Testing and Reporting (STAR) Program with a new assessment program, referred to as the CAASPP. All students in grades three through eight and eleven were assessed using computer-based tests in English/Language Arts and Mathematics; students in grades five, eight, and ten were also tested in Science. Science assessments were paper-based and included California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

Students receive an overall score for each subject, ranging from 2,000 to 3,000. Overall scores are reported within one of four levels:

- Performance Level 1: Standard not met - Needs substantial improvement for success in future coursework.
- Performance Level 2: Standard nearly met - May require further development for success in future coursework.
- Performance Level 3: Standard met - Demonstrates progress toward mastery.
- Performance Level 4: Standard exceeded - Demonstrates advanced progress toward mastery.

ELA results include information about the students' performance in the areas of reading, writing, listening, and research. Reports of mathematics results include information about students' performance in problem solving, using concepts and procedures, and communicating mathematical reasoning.

The table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in English Language Arts/Literacy (grades 3-8 and 11) and math (grades 3-8 and 11).

California Assessment of Student Performance and Progress			
Percent of Students Meeting or Exceeding the State Standards			
Subject	School	District	State
English Language Arts/Literacy (Grades 3-8 and 11)	28	23	44
Mathematics (Grades 3-8 and 11)	21	15	33

The following tables display information on student achievement at each performance level in English/Language Arts and Mathematics for the school by student groups for grades three through five.

*Note: A student is defined as socioeconomically disadvantaged if the student was eligible for the free or reduced-price lunch program (also known as the National School Lunch Program or NSLP), migrant, foster youth or homeless, or neither of the student's parents was a high school graduate.*

*Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

## California Standards Test - Science

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards).

The first table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards) in Science, for the most recent three-year period. The second table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

For detailed information regarding the results for each grade and performance level, see the CDE CAASPP Results Web site at <http://caaspp.cde.ca.gov/caaspp2015/Index.aspx>.

## State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority:

- Pupil outcomes in the subject areas of English, mathematics, and physical education

## Physical Fitness (School Year 2014-15)

In the spring of each year, the schools of Compton Unified School District are required by the state to administer a physical fitness test to all students in grades five, seven and nine. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Abdominal Strength, Trunk Extension Strength, Upper Body Strength, and Flexibility. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the healthy fitness zone (HFZ).

\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Parent & Community Involvement (School Year 2015-16)

Parents play an important role at Longfellow Elementary School through active participation and involvement in various leadership committees, volunteering in the classroom, and supervising students on campus and during special events. The school provides a broad range of activities and events to support the learning process. Parents are encouraged to attend the following events held throughout the year:

- Back-to-School Night
- Cinco de Mayo Carnival
- Quarterly Family Education Nights
- Harvest Festival
- Fall/Spring Candy Drive
- Open House
- Biannual Parent Conferences
- Student Performances
- Parent Education Workshops
- Monthly Parent Training Classes

Parents may also attend Adult English as a Second Language (ESL) Education classes held four days a week. Monthly meetings with the School Site Council (SSC), English Language Advisory Committee (ELAC), Parent-Teacher Organization (PTO), and Health Talks are held for parents and community members. Parents are encouraged to review the monthly school newsletter for information about school events and news.

The school benefits from partnerships with local businesses and services including: Kedren Mental Health, Compton Airport, Ident-a-Kid, and CVS.

### Contact Information

Parents or community members who wish to participate in the school's leadership teams, committees, activities, or become a volunteer may contact the school's main office. The district website ([www.compton.k12.ca.us](http://www.compton.k12.ca.us)) also provides a variety of resources and helpful information for parents, students, and the community.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety

### Suspensions & Expulsions

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

	Suspensions & Expulsions					
	Suspensions			Expulsions

District	4.8%	4.7%	2.6%	0.0%	0.0%	0.0%
State	5.1%	4.4%	3.8%	0.1%	0.1%	0.1%

## School Safety (School Year 2015-16)

The safety of students and staff is a primary concern of all Compton Unified schools and staff. All visitors to the campus must sign in at the school office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among volunteers, teachers, and administrators.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan is annually updated in the fall; the last review was performed in September, 2014. Any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Disaster procedures/routine & emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and lock-down, are held on a rotating basis throughout the year.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### School Leadership

Leadership at Longfellow Elementary School is a responsibility shared among district administration, instructional staff, students, and parents. Primary leadership duties at the school have been assumed by Principal Cowana Emile since the beginning of the 2009-10 school year. Ms. Emile has more than 28 years of experience in education, with 16 years spent as a classroom teacher and 13 years in various administrative roles. She holds a Bachelor's Degree in Child Development and an Administrative Master's Degree.

Staff members participate on teams to ensure that the instructional programs are consistent with students' needs and comply with district goals. Opportunities for involvement include:

- Parent Teacher Association (PTA)
- School Site Council (SSC)
- Leadership Team
- Safety Committee
- English Language Advisory Committee (ELAC)

### Professional Development

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. In the 2012-13 school year, the district did not sponsor any staff development days. In the 2013-14 and 2014-15 school year, there were two district-wide staff development days.

Teachers participate in staff development during minimum days. Topics include: Common Core Shifts, Asking and Creating Text Dependent Questions, Academic Vocabulary, Guided reading, Close Reading, Academic Conversations, Writing Articulations, Cooperative Learning, Explicit Direct Instruction, RACER to tackle Constructive responses.

## Class Size

The table indicates the average class size by grade level, as well as the number of classrooms that fall into each size category.

Class Size Distribution

## Counseling and Support Staff (School Year 2014-15)

In addition to academics, the staff strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. Psychologists and counselors are devoted to helping students deal with problems and assisting them to reach positive goals.

The school does not have an academic counselor. The chart displays a list of support services that are offered to students at the school. *Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.*

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Bilingual Instructional Assistant	1	1.0
Campus Security Officers	1	1.0
Community Liaison	1	1.0
Health Aide	1	1.0
Library Aide	1	1.0
Psychologist	1	As Needed
Resource Specialist Program (RSP) Teacher	1	0.5
RSP Aide	1	0.5
Speech and Language Specialist	1	As Needed

### GATE

A Gifted and Talented Education (GATE) program is available to students who qualify. The program focuses on enriching the curriculum through writing and the visual arts, as well as accelerating academic and leadership skills.

### At-Risk Interventions

Teachers are available before and after school to tutor students. Students also have access to tutoring and homework help through the After-School Education, and Safety (ASES) program. Free at home tutoring through supplemental I.P. (Title I Program Improvement Schools).

## English Learners

The California English Language Development Test (CELDT) is administered annually to all English Learners (EL) to determine fluency level ("Beginning" to "Advanced"). EL students are placed with appropriately credentialed teachers and grouped in classes based on proficiency level. All teachers use Specifically Designed Academic Instruction in English (SDAIE) methods to instruct EL students. English Language Development (ELD) is also provided for all EL students during a specific block of time each day.

## Special Education

Students with special education needs are accommodated with a variety of options and in the least restrictive environment possible. An Individual Education Plan (IEP) is developed for any student with emotional, social, and/or developmental disabilities. The IEP defines the individualized instruction a special needs student will receive, which may include placement in a Special Day Class at another school, the Resource Specialist Program, and/or sessions with other members of the support staff.

## Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the Compton Public Library, which contains numerous computer workstations.

## Adequate Yearly Progress (School Year 2014-15)

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for mathematics and English/language arts (ELA). Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in ELA and mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school, district and state performance are displayed in the table.

Adequate Yearly Progress (AYP)						
	School		District		State	
Made AYP Overall	Yes		Yes		Yes	
Met AYP Criteria	English - Language Arts	Mathematics	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	Yes	Yes	Yes
Percent Proficient	N/A	N/A	N/A	N/A	N/A	N/A
Met Attendance Rate	Yes		Yes		Yes	
Met Graduation Rate	N/A		Yes		Yes	

## Federal Intervention Program (School Year 2015-16)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English language arts or mathematics) or on the same indicator (graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

## District Revenue Sources (Fiscal Year 2014-15)

In addition to general state funding, Compton Unified School District received state and federal funding for the following categorical, special education, and support programs:

- Peer Assistance & Review
- Economic Impact Aid (EIA)
- Tobacco Use Prevention Education (TUPE)
- Title I, Part A: Basic Grant
- Title II, Parts A & D: Teacher Quality & Technology
- Title IV, Part A: Safe & Drug Free Schools & Communities
- Title V, Part A: Innovative Programs

## District Expenditures (Fiscal Year 2013-14)

At the time this report was published, the most recent financial and salary comparison data from the State of California was for the 2013-14 school year. The chart provides a comparison of the school's per pupil funding (from both restricted and unrestricted sources) with district and state (unrestricted) sources.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
